

2014 Volunteer Opportunities

Caring and committed individuals are needed. Your Chapter holds many fundraisers each year, and they cannot be successful without the help of volunteers. Our activities vary from year to year, and are primarily project-oriented rather than on-going. To make the best use of our volunteer time, we'd like you to identify what you would be willing to help with. *Regardless of the amount or type of help given, your help is both needed and appreciated.*
